

Help Sticker Placement Etrel Inch Pro

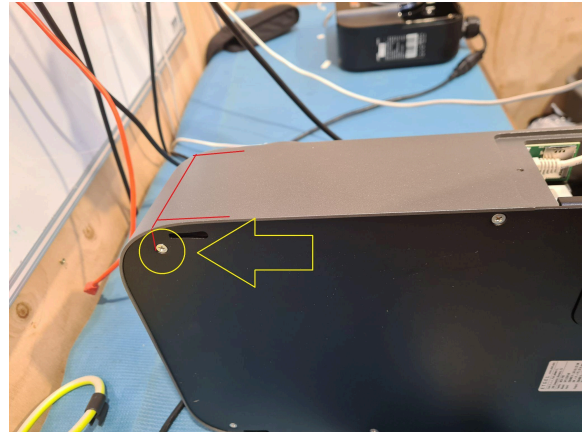

1. Match the sticker serial number with the charger serial number

The charger serial number on the charger can be found

- On the back of the charger down the bottom
- Inside the access door
- On the access door

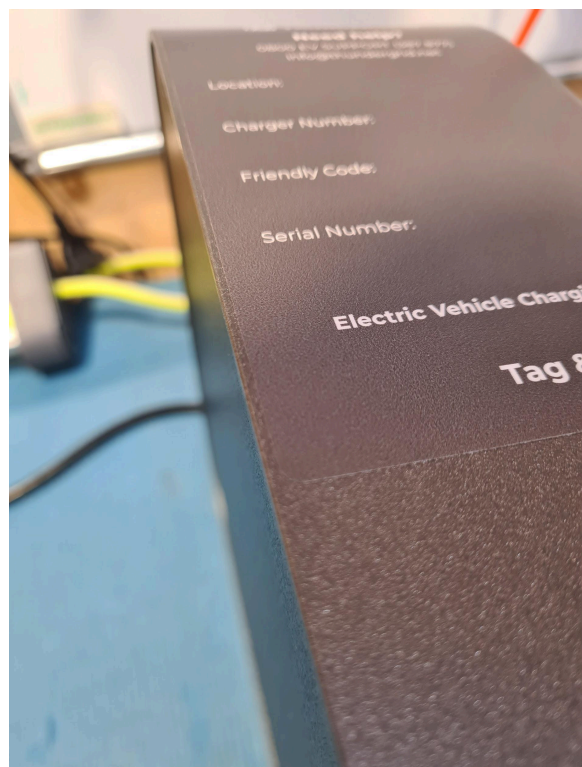

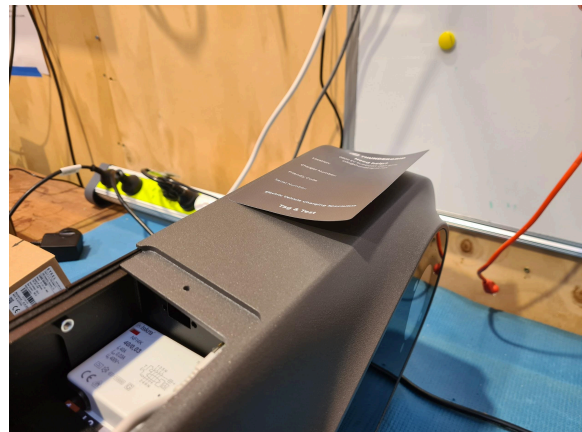

2.Align the top of the sticker with top of the screw on the back of the charger

3.Align sticker down the edge of the charger. Leave a couple MM gap from the edge

TIP: The sticker is quite forgiving and you can take a few attempts at aligning it properly if you only try and stick down the edge as shown in the top photo

4.Run finger along edge of sticker
